

Dear Parents,

As part of our cooking programme the children in Year 6 will be preparing, cooking and eating a two course meal. This is an excellent opportunity for the children to learn an important life skill, as well as having great fun in the process. This year it will start in the Spring Term, running between January and July 2019 (so that we don't have to squeeze all the sessions in after SATS!) Between January and May, Year 6 meals will be on a Friday morning only but after SATs, we will use as many clear days as possible.

Each session, with a group, will take approximately 2 ½ hours, starting at 10:30am. We will aim to start the meals at the end of January and then throughout the rest of the school year. You are more than welcome to eat with your group; in fact, for many children, it is expected!

If you feel you are able to offer your assistance in helping the children to produce their meal, then please complete and return the slip below by **Friday 11<sup>th</sup> January 2019**. I will then arrange a meeting shortly after this date to discuss in greater detail what is involved.

You will need a clear DBS check; if you do not already have one please call in at the school office.

Thank you for your help and if you have any questions please come in and see me.

Yours sincerely,

Mrs. Bartley
