

Dear Parents

On Thursday 16th September, we will be hosting football trials for Year 6. We are hoping to have some football fixtures at some point, so we will use this trial to start to form a team and we also may put forward some children for the district football team trials.

We will hold the session at lunch time on the school field so if your child would like to be involved, they will need suitable footwear (football boots) and shin pads. It is their PE day so they can just keep their PE kit on.

Yours sincerely

Mr Blay and Mr MacRae
