

Dear Parents

The 'Hart Think Safe' partnership has invited the children in Year 6 to participate in one of their '**Think Safe**' events that will be held at the Hart District council office in Fleet. This visit will take place on **Monday 23rd March 2026**.

During their visit to the centre, the children will participate in a variety of '*Think Safe*' workshops, such as fire safety, basic first aid and railway safety. These workshops will be led by representatives from local organisations such as the Hampshire Constabulary and Hampshire Fire and Rescue Service. The workshops are designed to develop children's skills in hazard awareness and risk management of everyday scenarios.

As the event is being held locally, children will walk there and back accompanied by school staff. As you would have already given permission for local trips there is no form to complete.

Children will depart school at 9.15am and return to school at approximately 12pm.

Yours sincerely

Mr Wade, Mrs Douglas & Miss Cain
