

YOGA MORNING CLUB

Yoga promotes mental and physical wellbeing and, for children, it can help them to focus, stay calm and relax.

Classes will introduce Yoga in a fun way, with movement, craft, music and games! Through themed yoga sequences and activities, which resonate with girls and boys of Junior School age, the sessions will look to strengthen balance and coordination, as well as encourage mindfulness.

Classes will start and end with relaxation and breathing exercises. The perfect start to the school day!
