*Please specify on the booking form if your child has any allergies or dietary requirements so we can prepare a separate named bag of sweets for them.

Bookings will close on 29th May 2026 and unfortunately **no late bookings** can be made. Please indicate via the link **if you are able to help** and also ensure you add any allergy/medical information for your child. Please note that this event will not be able to take place with insufficient volunteers. We rely on your help to make this a reality.

Kindly note that if your child is absent from school on Thursday 4th June, they will not be allowed to attend the disco (unless specific permission has been given to attend the disco by Mrs Dunn first). The HSA also reserves the right to ask parents to immediately collect any child who affects the enjoyment or safety of others during the event.

Please send your child in with a named water bottle!

No food or money; they should not wear trainers with wheels and no mobile phones are allowed.

When children arrive for the disco, see below where they should enter the school; please could parents take their child's coat.

- Year 3 & 5 - enter via 3J outside classroom door
- Year 4 & 6 - enter via 4H outside classroom door

We would like to assure you that each headset is professionally cleaned and that we are in control of the maximum volume the children can use. They will be able to adjust their own volume (up to our max volume) and they will be able to select their own music from three different playlists.

If you have any queries please contact us via the School Office.
