

FLEET CARNIVAL 2026 – HEATHERSIDE ENTRY

Saturday 4th July 2026

FLEET CARNIVAL'S 70TH ANNIVERSARY

On Saturday 4th July Heatherside Infant and Junior School will be entering the grand procession with the carnival theme: **Music through the ages**. We have decided on having the children dress up as a variety of different music stars! We are also hoping to have a few adults dress up as well.

Costume Ideas

- Year R - 60's music, Elvis and the Beatles
- Year 1 - 70's music, Abba and Elton John
- Year 2 – 80's music, Freddie Mercury and Madonna
- Junios – Spice Girls and Michael Jackson

More specific costumes to follow

The carnival has been at the heart of the local community for 70 years and the grand procession gives our children the fantastic opportunity to be involved in all the fun and action. It is a wonderful event with a great atmosphere but it is important to note that as this is a public event, we are unable to prohibit the publication of photos taken of our children. Therefore, if you do not wish for your child's photo to be taken, please **do not** consent to their participation.

If your child would like to participate in the procession here are a few considerations: -

- HSA have kindly provided funding for this event, however, you will need to provide your child's costume (e.g. a t-shirt, leggings/shorts or similar), or you could help your child make a music prop like a microphone or CD

We will require some parent helpers on the day to walk with the procession so please volunteer if you are able to help. If we do not receive enough offers to volunteer then we will not be able to run the event. (Ratios: Year R: 1 adult to 3 children, Year 1 & 2: 1 adult to 6 children. Juniors 1 adult to 8 children)

- **Year R, 1 & 2** – You will be required to supervise your child until 30 minutes before the procession and to collect them promptly afterwards.

All adults on the day, to join in with our theme, are encouraged to dress up (more details to follow). **We cannot guarantee that you will be walking with your child in their specific group.**

If you would like your child to participate then **please complete the sign-up form here:** <https://forms.office.com/r/SMk1vg6NPH?origin=lprLink> by **Friday 15th May 2026**

We hope your children will be excited to join in the event!
