

Dear Parents,

As part of our lifecycles work this term, each Year 5 class will be taking part in an afternoon of pond dipping and bug hunting. This will be led by our Forest School team on our school grounds.

The dates are as follows:

5H: Monday 1st June

5J: Tuesday 2nd June

5S: Monday 8th June

Children will need to come to school dressed as they did for Forest School, ie school shoes and old clothes appropriate for the weather. **They must wear long, casual trousers or joggers.** They will also need to bring a pair of old, sturdy shoes to change into as they will be in the woods and pond area.

Many thanks,

Year 5 teachers
