PLATE ACROSS THE WORLD!

As part of theme week, we will be exploring foods from different countries and cultures around the world.

Your task is to create a 'Plate Across the World' that celebrates a cuisine from a country of your choice. It might be a meal that your family or relatives especially enjoy. You can be as creative as you like!

CHOOSE YOUR OWN ADVENTURE!

1. DRAW A MEAL

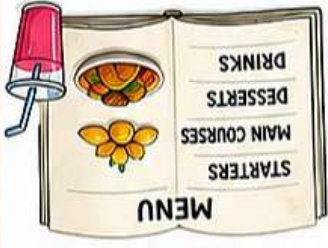

Research a traditional meal from a country. Draw the meal on a plate. Label the foods and include the country's flag. Write 3-5 facts about the meal or country. You could use different craft materials to create the meal for example: paper, pasta, cotton, beans, tissue...

5. PERFORM IT!

You could bring your homework to life!
 • Create a short role-play as a chef, food critic, or restaurant owner.
 • Pretend to host a cooking show introducing a meal from another country.
 • Record a 'travel food vlog' explaining what people eat in the chosen country.

2. CREATE A RESTAURANT MENU

Design a menu featuring foods from a chosen country. Include: Starters, Main courses, Desserts and Drinks.

6. FOOD FACT GAME

Create a quiz, board game, matching game or Top Trumps-style cards featuring foods from around the world.

3. COOK WITH YOUR FAMILY

Make a meal or snack from another country's cuisine. Take photos of the preparation and finished dish. Write a few sentences about: What you made, who helped you and what it tasted like.

7. FOOD NEWSPAPER

Create a newspaper front page which could feature: 'Dish of the Day', 'Interviews with a chef, country facts and food reviews.'

4. FOOD COLLAGE

Create a collage using magazines, printed pictures, drawings, or craft materials. Show foods from one or several countries.

8. USE YOUR IMAGINATION!

There are so many ways to be creative! You could make a 3D model, design a poster, create a recipe book, make a video, build with LEGO, create a food map and more!

We can't wait to see your ideas!

DON'T FORGET TO INCLUDE:

- Name of the country
- Name of the food or meal
- Pictures, drawings, photos or models
- At least 3 interesting facts
- Your creativity and effort!

Let's celebrate the wonderful variety of foods enjoyed around the world!
