My name is Teresa Pytches. I have been sewing for many years from early teens. I love sewing and cherish the opportunity to share my knowledge with the children so that they can learn how to create anything they want to. Most of the projects will use recycled materials as I feel this is an important idea to share.

**Make:** The Children will be sewing a range of projects all according to their individual ability. Full support will be on hand to help them to achieve their desired outcome.

**Do:** The most important attribute to any of the projects is to "Do Your Best". The children will be encouraged to think about their projects and suggest new ideas. It doesn't matter if they have never sewn before.

**Mend:** The children are welcome to bring in injured soft toys for mending or any clothing (with permission) for simple mending.

**Who:** All 'Heatherside' children who would like to take part and learn to sew and make things.

**When:** **3.00pm until 4.00pm** for 10 weeks on a Monday and 12 weeks on a Thursday from w/c 25<sup>th</sup> April to w/c 11<sup>th</sup> July 2022.
