

Heatherside Junior School Newsletter

20th May 2022

Dear Parents

Just one week until Half Term; the time seems to be flying by! I do appreciate that there has been a lot of information sent home recently - I think we've forgotten just how busy the Summer Term can be.

However, it is fantastic that all the wider events and opportunities can now take place; from trips, Year 6 Meals, Wellbeing Week and of course our Jubilee Celebrations next week.

We will be creating Year Group 'Week by Week' overviews for parents for the final Half Term which we hope will help us all keep up to date with everything that is planned!

Mrs Dunn

Wonderful Winchester

Year 5s had a great day exploring Winchester Cathedral this week and lots of people have said how fantastic their behaviour was; well done Year 5!

Jubilee Helpers

If you have kindly offered to come along and help and have children in both schools, we will liaise between us and make sure you know where you'll be needed! The lunch and arena events will be celebrated together.

Our **Sports Day** is planned to take place on Tuesday 14th June and all the details are on the separate flyer...we look forward to welcoming you along!

DISTANCE RACES

These are due to take place in the morning on Thursday 9th June in the morning and parents of children participating are welcome to come along to cheer the runners on. (Year 6 will still have PE that day)

Timings and participants will be confirmed next week.

Childcare Provision

As you may be aware from discussions on parent groups, Heatherside Infants are currently looking at the feasibility of wraparound childcare next year. A survey will be sent out next week.

Doodle Maths Subscription

As Remote Learning has now come to an end, we have made the decision not to renew our whole school subscription as we can see that only a limited number of children are using this resource. However, we have maintained a core subscription for any children that are regular users and/or it is part of their planned provision.

If you would like your child to continue to have access, please email Mr Demblon on g.demblon@heatherside-jun.hants.sch.uk by Monday 23rd May

Please include your child's name and class in the email and title it DoodleMaths

Safety on site

Please any can parents dropping off for Breakfast Club park a little further away from the Infant entrance gate as we have been made aware that staff/other parents driving in can't always see children crossing to enter the Infant Hall. It is also important for everyone to watch their speed on site.
