

# Heatherside Junior School Newsletter

10<sup>th</sup> June 2022

Dear Parents

Phew, this Half Term has got off to a busy start hasn't it? I am sorry for the high number of Parentmails, I do appreciate that you have received a lot this week!

It has been so lovely to have wider school events again though and the Roman Day and Distance Races this week were fantastic and I know the children enjoyed being part of these; I will try to get some photos on our website.

Next week is 'Wellbeing Week' when we will be focussing again on all the different ways in which we can look after ourselves and others. We have lots of activities planned and we hope that the children will gain much from the opportunities. It'll be lovely to welcome parents in next week too, both for the Board Games on Monday and Sports Day on Tuesday; it's been too long!

Mrs Dunn

## SPORTS DAY – TUESDAY 14<sup>th</sup>

All the information for Sports day can be found on our [website](#)

School dinners will be available but if children wish to picnic with friends/family they will need to choose the Yellow option or bring a packed lunch

We are happy for parents to take photos but they must only contain images of your own child/children and must not be shared on Social Media.

The closing date for our Parent Governor vacancy was today and sadly we did not have any interest. If you had meant to apply and are keen to know more, it's not too late! Please contact David Barnes (Chair) on [hjs.david@barnes.one](mailto:hjs.david@barnes.one)

## Joyous Jubilee!

After our fabulous Jubilee Day at school, the celebrations continued when a small group of us joined the parade in Fleet on Saturday; thank you to all those families who represented our school!

Our '5 Ways to Wellbeing' Week will include..

Monday - **Connect** (Board Games & Mini Mix Ups)

Tuesday – **Be Active** (Sports' Day)

Wednesday – **Keep Learning** (New skills!)

Thursday – **Take Notice** (Watercolour Challenge)

Friday – **Give** (Random Acts of Kindness)

Although 'The 5 ways to Wellbeing' are something we actively promote throughout the year, Mrs Murphy and Mrs Davis have worked really hard to organise this special focus week which we are all looking forward to! We have a number of visitors across the five days, including some four-legged ones! If you are joining us to play a board game on Monday, details will be given in the accompanying Parentmail as arrangements are slightly different for each year group.

I am sure you will have seen our new Community Garden and Allotment taking shape on the grass area opposite the Car Park and we are looking forward to getting the children (and families) from both schools involved with this. A huge thanks to Eleanor Mann who has driven this initiative and assembled the planters. She has also secured a grant for a special sensory garden..all of which will be a wonderful addition to our grounds and learning opportunities.
