

HEATHERSIDE JUNIOR SCHOOL
POLICY FOR ATTENDANCE AND ABSENCE

Date of Policy **December 2022** **Next renewal Date** **December 2023**

At Heatherside Junior School we aim to work closely with parents* to achieve and maintain high standards of attendance. For a child to reach their full educational achievement a high level of school attendance is essential. We are committed to providing an education of the highest quality for all our children and endeavour to provide an environment where all pupils feel valued and welcome. Parents and pupils play a part in making our school so successful. Every child has a right to access the education to which they are entitled. Parents and teachers share the responsibility for supporting and promoting excellent school attendance and punctuality for all. Statistics show a direct link between underachievement and absence below 95%.

It is our duty to consistently strive to achieve a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance. For our children to take full advantage of the educational opportunities offered it is vital a child is at school, on time, every day the school is open unless the reason for the absence is unavoidable. The routines children develop around attendance and punctuality at school are the same as the expectations of any future employer in the world of work. High attainment, confidence with peers and staff and future aspirations depend on good attendance.

* for the purpose of this policy, the term parents refer to parents, guardians and carers or anyone else with parental responsibility.

In order to achieve this, the school will:

- Promote a welcoming and positive atmosphere in school, where children feel safe and that their presence is valued.
- Promote parents' support of this policy as a vital contribution towards their child's education.
- Promote positive attitudes towards high standards of attendance and punctuality, which pupils should retain throughout life.
- Provide support for children and families, including through the school's Pastoral Support Worker.
- Ensure that attendance is maintained effectively and absences and lateness are followed up promptly.
- Meet legal requirements, with particular reference to identifying unauthorised absence.
- Keep accurate registration documents identifying authorised/unauthorised absences and check registers regularly, to note unexplained absences and identify patterns of absence and lateness if they are occurring.
- Report to parents on their child's performance and progress, what their attendance and punctuality rate is and how this relates to their attainment.
- Raise parental awareness of the importance of attendance and punctuality through a variety of strategies.
- Involve other agencies e.g. Early Help, Children's Services, Parent Support Advisor, Educational Psychologist etc when difficulties arise and further support is needed.
- Ensure all staff are aware of School policy and deal consistently with absence and punctuality.
- Ensure good liaison when a change of school occurs.

HEATHERSIDE JUNIOR SCHOOL

POLICY FOR ATTENDANCE AND ABSENCE

- Take account of national and local procedures and Guidance including the latest [DfE advice](#)

Lateness Procedure

- Pupils must be on the playground in time for the doors opening at 8.40am, registration is at 8.45am. School finishes at 3.05pm
- If a child is late and the class doors are closed they must enter the school **through reception, accompanied by an adult**. They will then be signed in as late before the register has closed.
- A child arriving after 9.15a.m. will be marked late after Registers Close (this will be recorded as unauthorised if no acceptable reason is given.)

All lateness is recorded daily. This information will be required by the courts, should a prosecution for non-attendance or lateness be necessary Pupils who are consistently late are disrupting not only their own education but also that of the other pupils. On-going and repeated lateness is considered as unauthorised absence and may be subject to legal action (see section Legal Measures for tackling persistent absence or lateness in this policy.)

Parents of pupils who have patterns of lateness will be contacted to discuss the importance of good time keeping and how this might be achieved. If lateness persists, parents will be invited to attend the school and discuss the problem and support offered. If support is not appropriate or is declined and a child has 10 or more sessions of unauthorised absence due to lateness recorded in any 10-week period the school or Hampshire County Council will be required to issue parents with a penalty notice in accordance with Hampshire's Code of Conduct for issuing penalty notices for non-attendance (See Appendix 1 of this policy for further detail).

Responsibilities of Parents and Carers

Ensuring your child's regular attendance at school is a parent/carers legal responsibility (section of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law. Parents will:

- Telephone the school on the first day (before 9.00am) and subsequent days of absence on 01252 617928.
- Discuss with the school any planned absences well in advance. If it is known in advance that a child is going to be late or need to be collected early (due to an appointment) a written note must be given to the teacher the day before, which will then be passed to the Office
- Support the school with their child in aiming for 100% attendance each year.
- Avoid taking their child out of school for routine or non-urgent medical or dental appointments.
- Only request for leave of absence if it is for an exceptional circumstance and cannot reasonably be organised for time outside of school.

Absence Procedure

- If a child is absent and a message/prior notification has not been received by 9.30 am at the latest, office staff will telephone parents to find out why the pupil is absent.
- If the absence is known in advance, notification is required, either by an absence request form or copy of a medical appointment.

HEATHERSIDE JUNIOR SCHOOL

POLICY FOR ATTENDANCE AND ABSENCE

- If a child has any unexplained absences a letter/email asking for an explanation of the absence may be sent to parents or a follow up call will be made. The attendance system used in school automatically records any unexplained absences as unauthorised absence.
- A list of children with less than 95% attendance is produced for the Headteacher at the end of each half term and a letter may be sent to parents informing them of their child's absence record and the school's expectations.

Registers will be checked for regular attendance by the designated admin staff and Pastoral Support Worker. Teaching staff should also be aware and report any concerns to the Headteacher. The register is a legal document and may be used as evidence in a Court of Law. Where there is doubt about the authenticity of absence attributed to illness, school and the Locality Team can refer the matter to a school doctor or GP.

Please note: If your child is not seen and contact has not been established with any of the named parents/carers, in addition to Day 1 safeguarding checks and procedures after three days of absence the school is also required to start *child missing in education* procedures as set down by Hampshire County Council guidance. We will make all reasonable enquiries to establish contact with parents/carers and the child, including making enquires to known friends and wider family. Please help us to help you and your child by making sure we always have an up-to-date contact number.

Medical and Dental Appointments

- Routine appointments should be made outside school hours.
- If an appointment is made in school time an explanatory note should be sent to school on the date before the appointment.
- Parents (or authorised adult over 16 years) must check children out and back in at reception when attending appointments during the school day.

Leave of absence

Amendments to school attendance regulations were updated and enforced from September 2013: (Pupil registration) (England) regulations state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. It is important to note that Headteachers can determine the length of the authorised absence as well as whether absence is authorised at all. The fundamental principles for defining 'exceptional' are rare, significant, or unavoidable which means the event could not reasonably be scheduled at another time. There are no rules on this as circumstances vary from school to school and family to family. There is however, no legal entitlement for time off in school time to go on holiday and in the majority of cases holiday will not be authorised. Parents wishing to apply for leave of absence need to fill in an application form available from the school office or via the website in advance and before making any travel arrangements.

For illustrative purposes, the following circumstances may be considered by the school to be exceptional:

- leave requested for the purposes of religious observance, which may include the celebration of a festival or attendance at a ceremony;
- leave requested when a family needs to spend time together in order to support each other during or after a bereavement or crisis;

HEATHERSIDE JUNIOR SCHOOL

POLICY FOR ATTENDANCE AND ABSENCE

- leave requested by service personnel and other employees who are not permitted to take leave outside term-time (a letter from the employer may be requested;)
- leave requested for one-off special occasions such as the wedding of an immediate family member or the graduation of an older brother or sister;
- leave requested for a student who has qualified to participate in an event or exam organised by a national body or receiving school.

The regulations stipulate that every request received must be considered on an individual basis. Even in the case of exceptional circumstances, the school must determine whether to approve the absence or not. In making this decision, primary consideration will be given to the child's attainment, attendance and ability to catch up on missed schooling, followed by the frequency of the request, the nature of the event for which leave is sought and whether the parent has given advance notice.

If term time leave is taken without prior permission from the school, the absence will be unauthorised and if the number of sessions absent hits the thresholds set down in Hampshire's Code of Conduct parent will be issued with a fixed-penalty fine or other legal action in accordance the code as detailed in Appendix 1.

Absence for Year 6 pupils will not be authorised under any circumstances during SATs week in May or in the weeks preceding.

Absence during the first two weeks in September will not be authorised for any children even in exceptional circumstances* as this is an important settling in time for the children. (*Except for an immediate family bereavement.)

Copies of the relevant Department for Education (DfE) regulations are available on request. Further information is available at 15

Understanding types of absence

Pupils are expected to attend school every day for the entire duration of the academic year, unless there is an exceptional reason for the absence. There are two main categories of absences:

- *Authorised Absence*: is when the school has accepted the explanation offered as satisfactory justification for the absence, or given approval in advance for such an absence. If no explanation is received, absences cannot be authorised.
- *Unauthorised Absence*: is when the school has not received a reason for absence or has not approved a child's leave of absence from school after a parent's request. This includes: parents giving their children permission to be off school unnecessarily such as for shopping, birthdays, to look after siblings, truancy before or during the school day.
- *Absences which have not been explained*: A school can, if needed, change an authorised absence to an unauthorised absence and vice versa if new information is presented. Any changes will be communicated to parents/carers. An example of this would be where a parent states a child is unwell but on return to school there is evidence they have been on holiday.

Penalty Notices for Non- Attendance and other Legal Measures: In Education law, parents/carers are committing an offence if they fail to ensure the regular attendance of their

HEATHERSIDE JUNIOR SCHOOL

child of compulsory school age at the school at which the child is registered, unless the absence has been authorised by the school.

Legal Measures for tackling persistent absence or lateness

Hampshire Schools and Hampshire County Council will use the full range of legal measures to secure good attendance. Legal measures will only be considered through a referral to Hampshire's Legal Intervention Team where:

1. The child or family do not require the support from any agency to improve the attendance
2. The child has 10 or more sessions of unauthorised absence and parents are complicit in the child's absence.

The following legal measures are for pupils of compulsory school age who are registered at a school:

- Parenting contracts set at Education Planning Meetings
- Parenting orders
- Penalty notices
- Education Supervision Orders
- Prosecution

Legal Measures for absence taken when the Headteacher has declined parent/carers request for leave of absence: Where a pupil has unauthorised absence due to either:

1. non- approval of a parent/carer's request for leave of absence or
2. a holiday that has been taken without permission and the unauthorised absence is for 10 or more sessions (5 days) in any 100 possible school sessions, then a penalty notice for non-attendance will be issued.

Where a child has unauthorised absence, the school must enforce Hampshire's Code of Conduct for issuing Penalty Notices or follow its guidance on other Legal Measures for Non-Attendance. The Code of Conduct is a statutory document that ensures that powers for legal sanctions are applied consistently and fairly across all schools and their families within the authority. A copy is available from <http://www3.hants.gov.uk/education/hias/learning-behaviour-attendance/attendance-guidance-forparents/possible-penalties.htm>

Absence through child participation in public performances, including theatre, film or television work and modelling

Parents/carers of a child performer can seek leave of absence from school for their child to take part in a performance. They must contact the headteacher to discuss the nature and frequency of the work, whether the child has a valid performance licence and whether education will be provided by the employer during any future leave of absence. It is, however, down to the headteacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Any absence recorded as part of a child's participation in a public performance is recorded as C, an authorised absence.

Absence through competing at regional, county or national level for sport

HEATHERSIDE JUNIOR SCHOOL
POLICY FOR ATTENDANCE AND ABSENCE

Parents of able sportsmen and women can seek leave of absence from school for their child to take part in regional, county, national and international events and competitions. It is, however, down to the headteacher's discretion whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions is also at the discretion of the headteacher and is not likely to be approved if it is a regular event, unless the sports club or association is providing an education tutor as part of their coaching.

Gypsy, Roma, Traveller and Showman families

Absence of a child from a Traveller family that has left the area may be authorised if the absence is for **work purposes only** and it is believed that the family intends to return. To ensure the continuity of learning for Traveller children, dual registration is allowed. That means that a school cannot remove a Traveller child from the school roll while they are travelling. When the Traveller is away the home school holds the place open and records the absence as authorised through the *T* code. Distance learning packs for Traveller children are not an alternative to attendance at school.

Record preservation

School registers are legal documents. We will ensure compliance with attendance regulations by keeping attendance records for at least 3 years. Computer registers will be preserved as electronic back-ups or microfiche copies

APPENDIX 1 – PENALTY NOTICES AND OTHER LEGAL MEASURES

The code of conduct states that:

Schools or Hampshire Local Authority will issue a Penalty Notice for any unauthorised absence where the pupil has been:

- absent for 10 or more half-day sessions (five school days) of unauthorised absence during any 100 possible school sessions – these do not need to be consecutive
- persistently late (coded U) for up to 10 sessions (five days) after the register has closed
- persistently late before the close of the register (coded L), but the school has met with parents and has clearly communicated that they will categorise as unauthorised any further lateness (code O), and where the threshold of 10 sessions (five days) has been met
- absent for any public examinations of which dates are published in advance
- absent for any formal school assessments, tests or examinations where the dates have been published in advance unless the issuing of a Penalty Notice would conflict with other intervention strategies in place or other sanctions already being processed.

If a child has unauthorised absence meets any of the above criteria and the family or child do not require any agency support to improve the attendance then a single Penalty Notice is issued for either:

1. 10 sessions of unauthorised absence or lateness in any 10-week school period

HEATHERSIDE JUNIOR SCHOOL
POLICY FOR ATTENDANCE AND ABSENCE

2. 1 or more sessions of unauthorised absence during a public exam, formal school assessment or testing where dates are published in advance.

Parents and Carers will be warned of the likelihood of a penalty notice being issued for unauthorised absence either via a letter, through the leave of absence request form, or through the schools' attendance policy and website. The penalty notice is a fine that is issued to each parent/carer who condoned (or was responsible for the child) during the period of unauthorised absence for which the fine has been issued. For each case of unauthorised absence, the school or Hampshire County Council will decide whether a Penalty Notice is issued to one or more parent/carers for each child. N.B This could mean four penalty notices for a family with two siblings both with unauthorised absence for holiday i.e. one Penalty Notice for each child to each parent.

Each penalty notice carries a fine of £60 if paid within 21 days of the penalty notice being posted. If the fine is not paid within 21 days the Penalty is automatically increased to £120 if paid within 28 days. If the fine remains unpaid the Hampshire County Council will consider prosecution for the nonattendance. Payment methods are detailed on the Penalty Notices themselves. Penalties are to be paid to Hampshire County Council and revenue resulting from payment of Penalties is used by the County Council to help cover the costs of issuing Penalty Notices and/or the cost of prosecuting recipients who do not pay.

Please note: If you pay the Penalty Notice and your child has further unauthorised absences additional legal action will be taken. For example, in the event that a Penalty Notice has previously been served to you due to unauthorised holiday, should your child have any future unauthorised leave this will result in further legal action for you, such as prosecution or an Education Supervision Order.

For further information parents/carers can request a leaflet from their school and should visit Hampshire County Councils website at:
