

8th September 2023

Dear Parents

Year 4 Residential Trip: 29th April to 1st May 2024

Thank you to all of you that attended the initial parents meeting on Tuesday 5th September. We appreciate that some parents were unable to make the meeting; below are some details and next week we will also share the meeting power point on our website [here](#)

Year 4 will be visiting Osmington Bay; which is a PGL site and a virtual tour is available on their [website](#). The setting is great and this will be our third visit, it has access to the beach where the children can take part in supervised activities. The centre is an approved HCC site.

During their stay children will have the opportunity to participate in a programme of outdoor study, which will enrich the term's Science and Geography topics. In addition, the residential experience will provide the children with the chance to develop their social skills, as well as having a positive effect upon their self-esteem, self-confidence and team work.

The estimated cost of the trip will be £270 based on 90* children participating, this includes the coach travel, all food (except a packed lunch on the first day), accommodation and activities. If you would like your child to participate in the residential visit then please complete the Parentmail Form, along with a £45 deposit (payable online via SCOPAY or by cash/cheque via the office) **by midday on Friday 15th September**. Written confirmation of your child's place on the visit plus final payment details, will be sent out at a later date.

If you have any questions, please contact the school.

Yours sincerely

Mrs H Dunn on behalf of the Year 4 Team

*please note that if less than 90 children participate, the cost of the coach will be divided across all participants so the final cost could be slightly higher.
