3<sup>rd</sup> November 2023

PE Day swaps next week...Yr 4 will be Tuesday 7<sup>th</sup> , Yr 3 will be Wednesday 8<sup>th</sup> & Yr 5 on Friday 10<sup>th</sup>

Dear Parents

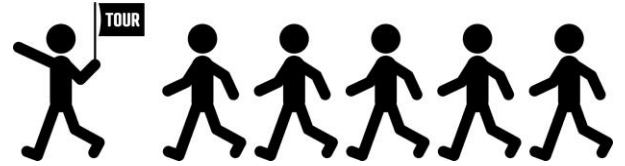

It's felt properly Autumnal this week hasn't it? The children all seemed to have a good rest last week and now begins the run up to Christmas! Our Year 6s are busy learning their lines for Peter Pan and the HSA Team are doing an amazing job of planning the Christmas Fair. Please click [here](#) to find out all about the 'flurry of fun' that is planned for this special community event!

I do hope lots of you will be able to sign up to help on **Saturday 18<sup>th</sup>** (see the QR link below) as this makes such an enormous difference. If you can spare just an hour (or more) we would be extremely grateful; it helps the whole event run smoothly, shares the workload and it's also great fun... I've booked my slot on the Chocolate Bingo already!

Kind regards  
Mrs Dunn

## Terrific Tour Guides!

A huge thank you and well done to all our Year 6 children who led school tours this week for Year 2 Parents. So many of our visitors commented on the confidence, enthusiasm, knowledge and politeness shown by the Year 6s. We were very proud of them and I wanted to say a public thank you to them for their help; they represented our school and themselves so well.

If your child would like to buy a Poppy in school next week they will have the opportunity when Year 6 take them round in the afternoons. We suggest a minimum donation of 50p.

Our new Eco Warriors have shared a 'Design a T-Shirt' competition as part of The Pod's Switch Off Fortnight campaign.

Details and the entry information can be downloaded from our website [here](#).
