

Can't afford to buy a place of your own?

Come along and see what low-cost home ownership homes are for sale in Hart

Talk to staff from the Council's Housing team, solicitors, and representatives from low-cost home ownership providers to find out more about getting on, and moving up, the housing ladder.

Speak to an independent financial adviser to find out what mortgage you can get, what you can expect to pay each month and how much deposit you will need.

There will also be specialist providers offering options and advice about Older Persons Shared Ownership (OPSO) and Home Ownership for People with Long-Term Disabilities (HOLD).
